BoB Monitoring

Memo for the Record by Col. Burke

Subj: COR and CHAL Discussion with Robert Macy, BoB

Mr. Macy requested (on behalf of Director of the Budget Stans) explanation of the ~~xxxx~~ expenditures on bio-med shots for cover purposes. Col. Burke first discussed this with Gen. Flickinger who stated that most of the money for the bio-med shots would possibly be furnished by the Air Force and BMD. Then he and [] visited Mr. Macy and briefed him on CORONA cover requirements. Afterwards Mr. Macy said he believed he understood and could explain to Mr. Stans' satisfaction. He added that with the national deficit expected, every budget item will receive very close scrutiny, particularly those difficult to explain either from a security viewpoint or for any other. 25X1
